## Special Interest — National

### *This American Life*

It's a weekly show. It's an hour. Its mission is to document everyday life in this country. We sometimes think of it as a documentary show for people who normally hate documentaries. A public radio show for people who don't necessarily care for public radio. Hosted by Ira Glass. Friday, 7 PM & Saturday 9 AM

### *West Coast Live*

*West Coast Live* entertains and informs its audience with music, ideas, and humor from a rich mix of musicians, writers, and thinkers from the Bay Area and around the country. *West Coast Live* is a two-hour variety show that broadcasts live coast-to-coast and internationally in front of a theater audience. Hosted by Sedge Thompson. Saturday, 10 - 12 PM

### *New Dimensions Radio*

The program presents a diversity of views from many traditions and cultures, and strives to provide listeners with practical knowledge and perennial wisdom. *New Dimensions* fosters living a more healthy life of mind, body, and spirit while deepening our connections of self, family, community, the natural world, and the planet. Hosted by Michael and Justine Toms. Sunday 9 PM
