## Cars & Travel

### *Rick Steve's Europe*

Offering a fresh perspective on the best travel advice, including where to stay, what to see, and how to get around, each episode features an exciting and up-to-date peek at the best in European travel.

### *Rudy Maxa's World*

Rudy offers his sophisticated take on a destination's history, culture, architecture, politics, and cuisine, while also turning a journalistic eye to the people and lifestyles of Russia, Estonia, Turkey, India, Argentina, Japan, and Thailand. The series follows Rudy along the canals of St. Petersburg, Russia, to the Taj Mahal in India, into the jungles of Thailand's Golden Triangle, and inside the tango halls of Buenos Aires.

### *America's Heartland*

*America's Heartland* is a new weekly public television series, hosted by Paul Ryan, that celebrates our nation's agriculture. Profiling the people, places, and processes of agriculture, the series taps into—and strengthens—the ties that bind us all together: the love of our land and the respect for the people who live on and from it, a national fascination with food, curiosity about unfamiliar places and ways of life, and the bedrock American values of family, hard work, and the spirit of independence.

### *California's Gold*

Join Huell Howser in exploring our State's rich history, cultural diversity, natural wonders, and amazing people. You are invited to join the adventure as we continue our search together for *California's Gold*.

### *Equitrekking*

The first travel television series to explore the world on horseback, *Equitrekking* transports viewers to picturesque locales in Belize, Costa Rica, Quebec, Arizona, Texas, Utah, Kentucky, and much more. Riding with the locals in each destination, viewers gain a greater sense of each location's diverse natural surroundings, wildlife, culture, and history. Out of the saddle, Darley experiences other adventurous activities and explores cities, quaint towns, and spectacular settings.

### *Motorweek*

As the first place to see new vehicle road tests, *Motorweek* puts viewers in the driver's seat with timely delivery of vehicle comparisons, fuel-efficient options, and consumer-oriented news and feature stories. Hosted by nationally acclaimed car expert John Davis, *Motorweek* travels America and the world, bringing viewers the latest on automotive technologies and new car and truck models.
